EXPERIENCE

Meta

Senior Product Designer

Aug 2022 - Jul 2026

- Led product design across **6+ privacy, risk, and compliance products**, setting product strategy and interaction direction for platforms supporting company-wide compliance operations.
- Designed agentic workflows for high-stakes compliance changes, reducing completion time **5x** and reaching **67% adoption within 14 days** of launch.
- Unified fragmented privacy workflows into a shared product experience; following launch, adoption grew **20% to 11,312 users** and expanded across **3 risk teams**.
- Redesigned intake for **tens of thousands of annual Risk Reviews**, increasing resource attachment from **11% to 15%** and code attachment by **10 percentage points**.
- Identified **68 UX issues** ahead of product launches and directly shipped fixes for **46** using internal AI development tools.
- Mentored **5+ product designers** across product strategy, interaction design, and craft.

Meta

Product Design Intern

Jun - Aug 2020

Jun - Aug 2021

- Designed privacy experiences across two internships, translating research and usability insights into product and interaction improvements.
